TerriAnn Linn-Watson : Radiographic Pathology Workbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Radiographic Pathology Workbook:

0 of 0 people found the following review helpful. As picturedBy Gigi 42Ordered this for a friend because she was in a hurry to get it and I have Prime. It came on time and it was exactly what she needed at a lesser price.

Radiographic Pathology Workbook is designed to reinforce the material covered in Radiographic Pathology, Second Edition, by TerriAnn Linn-Watson. The Workbook includes a variety of exercise types to reinforce learning, including fill-in-the-blank, image labeling, true/false, multiple choice, matching. New clinical case studies with critical thinking questions bring real-world applicability to the material.
